

Color of My Life

Lyrics by Jean Miki Nishimura

Music Composition by Efrem Van Bergman

Pondered with pen in hand
Read drafts to file away
Couldn't make sense of it all
Tossed aside for another day

Too afraid to search my heart
Blind spots cause shades of gray
Scrambling the parts of my story
Had writer's block day after day

Mistakes I have made stood out on the page
Sealed in red as if sealed in red
I found the strength to erase
To fill all my rooms with warmth and sunlight
Change the hue
The color of my life, the color of my life

Retraced steps of my past
Crossed roads, many I once knew
Searching for sights I have missed
Turned around; reaching new hues

Confronting my fears was hard
The voice of reason set me free
Getting it right took some time
A new color spread before me

Mistakes I have made stood out on the page
Sealed in red as if sealed in red
I found the strength to erase
To fill all my rooms with warmth and sunlight
Change the hue
The color of my life, the color of my life
Color of my life, the color of my life, the color of my life
