

Like Skaters Enclosed in a Snow Globe

Jean Nishimura

A Christmas dreamland in a snow globe
Awaken moments like a slideshow
Gazed with wonder at all I see
In my heart, we can be, we can be

I can see us skating hand in hand
Stepping to the rhythms of the band
There is nowhere I'd rather be
In my heart, we can be, we can be

Like skaters enclosed in a snow globe
A vision frozen in time
Wrapped up in the spirit of Christmas
Keeping us together for all time

The Christmas magic's around to stay
So drifting snowflakes never melt away
Hold within the winter glee
In my heart, we can be, we can be

Twirling, circling snowflakes
Drifting endlessly
Keeping me where I want to be
In a world for you and me

Like skaters enclosed in a snow globe
A vision frozen in time
Wrapped up in the spirit of Christmas
Keeping us together for all time
Keeping us together for all time
